

TAKING PrEP HAS NEVER BEEN SO EASY!

OUR **PrEP CLINIC** SAVES YOU TIME, MAKING IT EASIER FOR YOU TO START AND STAY ON PrEP.

PrEP

Our PrEP Clinic combines your medical and pharmacy visits into one simple step! Each appointment is about 20 minutes long and includes your lab work, as well as being given your PrEP medication, all in the same visit.

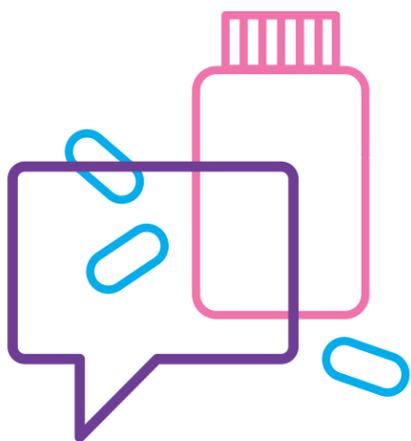

A PrEP CLINIC VISIT IS AS EASY AS 1, 2, 3!

1.

COMPLETE YOUR LAB WORK

We will conduct all of your lab work, including HIV and STI testing.

2.

GET YOUR PrEP MEDICATION

If you wish to obtain your medication from the Whitman-Walker Health pharmacy, you can skip the usual line. Our team will have your prescription ready and waiting for you at your appointment.

3.

RECEIVE YOUR NEXT APPOINTMENT

PrEP Clinic staff call you to schedule follow-up appointments every 3 months.
