# BEHAVIORAL HEALTH CONSULT

➔ Check in about your emotional wellness

➔ Curious about our behavioral health services?

➔ Need support after a challenging event?

➔ Want to connect to a therapist or a support group?

Our clinicians can support Whitman-Walker patients for any of these needs. Ask your provider to connect you to a Behavioral Health Specialist for a consult.

## WHAT TO EXPECT

A behavioral health consult is like a check-up for your mental health. Our clinicians can help you right here and right now. If you just want to connect to services or learn more, or if you are experiencing some overwhelming emotions, we are here for you.

Behavioral health consults are billed to your insurance like a medical visit. Please check with your insurance company about co-pays or deductibles.

Consults can be in person at either our 14th St or Max Roberson locations.
