Special Note for Out of Network Insurance:

* If WWH is out of network with your insurance, we encourage you to switch to an in-network provider.

*For individuals that WWH does not accept and have out of network benefits, we encourage you to find an in network provider.

* If you choose to receive care at WWH, you will be Self Pay - Full Fee.

* Self pay patients may not schedule follow up appointments if there is a balance on their account.

* Self pay patients must pay their full balance at the time of their visit and you are responsible for submitting to your plan for reimbursement.

* For individuals who have Kaiser, Maryland or Virginia Medicaid MCOs, or Medicare Advantage plans that WWH does not accept, WWH is out of network, and we encourage you to switch to an in network provider. These plans do not offer out of network benefits and we cannot serve as your primary care provider, meaning we cannot complete prior authorizations or referrals, and you will need to seek elsewhere.
