40TH ANNIVERSARY OF LEGAL SERVICES
SAVING LIVES SINCE 1986

Whitman-Walker Health Legal Services arose during the AIDS crisis in response to a federal backdrop of ignorance and hate. In 1986, we began offering free legal help to protect our patients' individual rights as thousands died and our community responded. Over the decades, we evolved to meet community needs with truth and decency, expanding to advocate for transgender people and immigrants. We have celebrated medical breakthroughs and secured legal wins. Our history gives us the hope, determination, and humility to continue to face today's challenges. Whitman-Walker Health fought tirelessly for AIDS patients, and now, as we mark our 40th anniversary, our medical-legal partnership continues to rise to the fight – stronger than ever.
